

Government of India
Ministry of Human Resource Development
Department of School Education and Literacy

Shastri Bhawan, New Delhi
13th May, 2014

Minutes of the 38th RMSA PAB Meeting (18th Integrated RMSA PAB Meeting) held on the 20th March 2014, for approval of Annual Work Plan & Budget 2014-15 of **Karnataka** under the Centrally Sponsored Scheme of the Rashtriya Madhyamik Shiksha Abhiyan (RMSA)

1. The 38th Meeting (18th Integrated RMSA PAB) of the Project Approval Board of the RMSA to consider the Annual Work Plan & Budget 2014-15 for the State of Karnataka under Rashtriya Madhyamik Shiksha Abhiyan (RMSA , including the components of ICT@ Schools, Girls' Hostels, Vocational Education and Inclusive Education for the Disabled at Secondary Stage (IEDSS) was held on the 20th March, 2014, under the Chairmanship of Shri R. Bhattacharya, Secretary (School Education & Literacy).

2. The list of participants who attended the meeting is attached at **Annexure-I.**

Rashtriya Madhyamik Shiksha Abhiyan (RMSA)

3. At the outset, Secretary (SE&L) welcomed all the participants. The Joint Secretary, Ms. Radha Chauhan, briefed that PAB at the beginning of the 12th Five Year Plan (2012-13), had committed liabilities to the tune of Rs 8500 Crores, but since no new works were approved in 2012-13 and with limited approvals in the year 2013-14, the Committed liabilities have come down to the tune of Rs 4800 Crores.

4. However, the concern still remains since a number of States still have a huge backlog of Non-Recurring works which could not be started due to the

fixed cost norms of the earlier approvals, and where the States have not been able to arrange for the gap-funding between the earlier approved norms and the State SoRs, and where the funds have been released to the States resulting in the situation where the States are sitting on a huge unspent balance. She informed the PAB that this has resulted in preventing the release of funds from the Ministry on one hand, which later on may lead to surrendering of funds under the scheme, while the Scheme itself suffers from lack of funds. In light of the situation the State is requested to utilize the funds sanctioned in order for further releases as well for new approvals being considered by the PAB.

5. She noted that there is a need for the State to shift the activities of the subsumed components to the RMSA SPD. Since funds for all the subsumed components are now being released to the RMSA Implementing Society **(through the State)** all correspondence and communication will be with RMSA SPD and the Secretary including financial matters concerning all its subsumed components. Therefore , the States would do well to streamline the activities relating to ICT @ Schools, IEDSS, Vocationalization of Education and Girls' Hostel functioning into the RMSA Society and formally notify the RMSA SPD as the nodal person) anchoring all these activities.

6. She also informed the Board that in order to facilitate efficient implementation and also address issue relating to amount available to States under MMER, following provisions has been made:

(i) Release of ad-hoc recurring grant to the tune of 25% of the expenditure incurred in the previous FY by the States.

(ii) Facility of spill-over of funds relating to approvals of non-recurring grant that would provide States with the flexibility to deploy funds regardless of year of its approval (but as per norms under which they were approved).

(iii) MMER to be available as against the Annual Plan approval **(not release)**.

7. General Issues highlighted for consideration and guidance of the PAB:

- (i) **Quality interventions: Adoption of project based approach:** The PAB outlining the overall shift that is needed with four years of activity based interventions under the Quality head of RMSA, emphasized the need for the States to adopt a holistic project based approach to interventions wherein selected activities are put together in a manner that the outcomes and objectives that are envisaged through those interventions that are clearly defined and are measurable over a period of time through basic indicators such as enhancement in enrolment (CWSN, Girls SC..) retention, transition, performance or reduction in drop out and so on. Each such intervention needs to be substantiated by its performance outcome which should be taken up for evaluation by the State as part of its MMER activities.
- (ii) **Quality of Inclusion in Secondary schools (CWSN under IEDSS):** The issue of deployment of special **education teachers** was highlighted that at present, there is no deployment policy of special education teachers in any state and their (special education teachers) role in secondary classes need to be clearly outlined. At present, in most states, most of these teachers have not been deployed in the schools but rather at the block headquarters with no defined role and responsibility.
- PAB advised that States should ensure that all these special education teachers (for whom the financial support is being made from IEDSS) should be deployed in the school(s), and if they are serving more than one school in the vicinity then their formal deployment should be with the school having larger number of CWSN children.
- PAB also requested NCERT to guide the States by detailing the role of special education teachers at the secondary level and if need be modify the curriculum to meet the needs of CWSN children. Even though the IEDSS scheme has been subsumed under the RMSA, the planning and implementation of this component is still being carried

out in an isolated manner, with some of the States/ UTs still implementing the interventions under this component totally through NGOs which is adverse to the overall objectives of scheme which envisages State as the prime implementing agency and NGOs role being limited in aiding and supporting the State.

The PAB emphasized that Secondary Schools need to be made more inclusive for CWSN, with adaptations to infrastructure to be planned under the RMSA non-recurring / civil works component, while the teacher training for improving inclusive practices (targeted at CWSN) of Subject teachers should be within the RMSA teacher training package.

- (iii) **UDISE:** The issue with regard to **UDISE data** of the state was also raised. In the current year, MHRD/ TSG has used UDISE data to verify the distance from the UPS to the proposed secondary school and on the basis of distance shown in the UDISE data, the current year proposal for establishing new school has been appraised. However, the state claims some technical problem in that column no 19B of the UDISE DCF which results in inconsistency where the distance from UPS to Secondary Schools is shown as zero in many cases even if the actual distance is 6 or 15 Kms and due to this discrepancy in the data, proposals for new school could not be found eligible for upgradation.

NUEPA was requested to look into this and the State may pursue the matter of correcting the UDISE data with NUEPA.

Though the timeline for sending the UDISE data (elementary and Secondary) to NUEPA is in December every year, it is seen that that States have not been able to send their UDISE data to NUEPA on time, which in turn affects and causes delay in the appraisal of RMSA plans, since they are based on the UDISE data.

There are discrepancies in the UDISE data , which are reflected in the mismatch between this years' data (2013-14) and last year's data (2012-13).

The coding /categorization (lowest class/ highest class) is being followed differently in different states, resulting in various interpretations of the number of schools, for a same set of schools. Thus, while in Kerala, a school is given a single UDISE code for the Primary, Upper Primary, Secondary and Higher Secondary, in Andhra Pradesh, Madhya Pradesh, Chhattisgarh, Rajasthan and Odisha, etc, the UDISE code for Primary School is different from the code of the Secondary, from that of the Higher Secondary, etc, resulting in these States showing a higher number of government schools.

PAB requested NUEPA to clarify this and this is especially critical since the UDISE will be the official data from this year onwards.

- (iv) Reference was made to the 3rd RMSA JRM aide memoire which suggested tracking of children who have passed out of Class VIII to ensure that they get enrolled in Class IX, using simple techniques of identifying clusters/feeder schools to a Secondary school
- (v) In view of the limited availability of funds under the programme and also the fact that States have been unable to act on previous approvals relating to recruitment and appointment of staff , PAB indicated that approvals regarding Lab Attendants, Librarians and Multi task Support Staff previously committed but not yet acted upon be revoked with immediate effect. Approval/Commitment for salary was for that particular year and if not acted upon and not revalidated specifically, later on stands withdrawn. Commitment of financial support towards this category of support personnel, which is generally sourced on a contractual basis, will also be reviewed as part of the Annual Plan and is subject to availability of funds after provisioning for core set of commitments including teacher's salary.

- (vi) PAB also took note of huge backlog in recruitment and appointment of approved teachers. In view of the limited fund availability under the scheme, it was noted that provision of salary under the annual recurring grant shall be earmarked and committed only for personnel formally in place. Any subsequent appointment commitment of RMSA funds will be subject to availability of funds in the current year.

8. Ms. Caralyn K. Deshmukh, Director (RMSA -1) gave a detailed overview of the status of implementation, planning and monitoring of RMSA in the State of Karnataka. In the presentation, various aspects of implementation of the RMSA scheme in the State, including areas of concern, major issues, decreasing Education Indicators (GER), progress of recurring and non-recurring activities approved to the State under the RMSA were highlighted.

A copy of presentation is at **Annexure II.**

9. Areas of concern:

State has made very slow progress in civil work - only **27%** progress against approvals till date. Out of approved 333 new secondary schools, civil works **are in** progress in 118 schools and work in 215 schools is yet to be started. Under the strengthening head out of 11945 works sanctioned, 868 works are at finishing level, 3220 works in progress **and 7857** (65% of total approval), works have yet to be started.

- As per Dec. 2013 QPR, State has reported expenditure of Rs 32.01 Crores under Recurring & Rs 80.40 Crores under Non recurring head. However till March 2014 State claims to have incurred Rs. 94.75 Crores under Recurring head & Rs 149.42 Crores under Non recurring head.
- State needs to clarify whether ICT, IEDSS and Girls Hostel have been transferred to RMSA Implementation Society for smooth

management and holistic implementation. The districts Yadgiri, Koppal, Raichur, Bidar display poor educational indicators. RMSA interventions need to focus in these areas.

- The Gross Enrolment Ratio at Secondary level is 75.99% as per UDISE 2013-14, which has decreased from 84.54% as per the UDISE 2012-13. This needs to be clarified.
- 41 Government Schools and 14 Government aided Schools show zero enrolment schools as per UDISE.
- State's proposals under the different components of RMSA (ICT, IEDSS, VE, etc) cover only Class IX & X under umbrella of RMSA, whereas there is a provision for covering the higher Secondary classes Vocational Education , IEDSS & ICT components of the RMSA .
- There seems to be a shortage of math, science and social studies teachers as indicated by the information given by State as well as from UDISE.
- RMSA PABs of 2011-12, 2012-13 and 2013-14 have approved financial support for guidance and counseling to the state. But the state has not carried out any activity under this provision and has not shown any progress in this. It is also seen that the State's proposal for guidance and Counselling related to guidance and counselling relates only to Career Guidance. The Guidance and Counselling activities as mentioned in RMSA document covers academic, career, personal and psychological aspects of the students.
- The total number of 4925 libraries available in the government schools is not matched by the number of librarians in the government schools (only 252 -5% of total libraries)
- With regard to Vocational Education, 250 schools were approved to be covered in the year 2012-13 for which SEMIS/UDISE school code not available:
- Change in the number and location of schools.

- Issues related to civil works and construction of Digital classroom-cum-library.
- Issues related to change of trades.

10. Areas of Strength:

- The State has revised its curriculum framework and new syllabi developed as per State Curriculum Framework (SCF). New text books for class VII and X will be ready in this year 2014-15.
- Karnataka is using ICT resources and building up digital learning resources for teacher training in a significant way. In this regard, State has created digital learning resources for the Class IX text book topics of mathematics, science and social science subject under KOER (Karnataka Open Educational Resources) which are also available on website i.e <http://karnatakaeducation.org.in/KOER>. A professional group of Head Teachers and Subject Teachers has formed the State Teacher Forum which provides help and support to other teachers in their subject teaching. Though this teacher Forum, around 5,000 teachers across all 34 districts have learnt to use a wide variety of digital methods, tools, resources for their subject teaching as well as overall professional development.
- CCE is being implemented From Class I to Class IX. Principles of CCE incorporated in class IX training modules, as well as in the report cards supplied to the schools.
- Separate cadre for the teachers has been initiated by the state for the district of Gulbarga, Bellary, Yadgiri, Bidar, Raichur, and Koppal, which are special focus districts. Since these districts form the backward area of the State and since it is difficult to get teachers from other districts to work in this area, state has made a provision for appointment of teachers by local authorities.
- The State's AWP&B displays that the approach for developing the Annual State plan has followed the bottom-up approach, which has started with the School Development / Improvement Plan.

11. Convergence of Schemes:

- With regard to the convergence of Centrally Sponsored Schemes, 8820 schools are covered under RMSA, 6444 schools under ICT @ schools, and 250 schools has been taken up under Vocational Education. However, the coverage of schools provided financial assistance under IEDSS has not yet been mapped.
- The objective is to cover the schools completely in terms of available schemes- the whole school approach where a school improvement plan makes use of the available schemes at the state and centre to ensure the holistic development and improvement of the school. Thus, a school is ensured adequate and good quality infrastructure-compatible with the pedagogical needs of the different classes and subjects, teachers training, remedial, libraries, laboratories, children with special needs, special educators, ICT facilities, vocational education/options and linkage with girls hostels.

12. Special Focus Districts

Out of 30 districts in Karnataka, 3 districts are SFDs (1SC +2 Minority) and there are 74 Educationally Backward Blocks (EBBs). As far as coverage of SFDs is concerned, out of the approved 333 schools, 45 schools (13.51%), are in SFDs. Out of 1905 schools strengthened under RMSA , 191 (10%), are in the SFDs. Out of 7155 schools supported under ICT@ schools , 646 (9%) are in SFDs.

13. Progress under RMSA:

- (i) **Recurring** - In the year 2013-14, Rs. 2882.63 lakh was released by Government of India. The State has spent Rs 9475.67 lakh, (81 %) against the total approved funds of Rs.11640.99 lakh under the Recurring head.

(ii) **Non-Recurring: 333** new schools were approved for up-gradation from Upper Primary to Secondary schools under the RMSA and 1905 schools were approved for strengthening . The State has completed 41% in respect of non – recurring activities approved so far.

- During appraisal, it was found that some components has been repeatedly approved :- 3 Science Labs in 2010-11, One Computer rooms 1 in 2009-10, 4 Art Cultural room in 2010-11, 4 Library 2010-11, : 4 Additional Classroom 2010-11. (In 6 schools, under RMSA following **2 schools**) Shown non Govt. Mgt. (2 Schools) Science Lab : 1 (2010-11), Art Cultural room : 2 (2010-11), Library : 1 (2010-11),, which were cancelled by the PAB
- The list of schools is appended.
- A total of 151 schools in the district i.e Mandya, Sirisi (Uttarakananda), Shimoga, have not been started due to non-participation of Bidders builders despite tender process being carried out at least 5 times for the same. (Under strengthening head approved under RMSA in the year 2009-10 & 2010-11). State proposed cancellation of these and re-consideration as fresh approvals which PAB did not agree as the schools have been made functional by the State. State was advised to take up the work with available fund approved under RMSA and provide additional funds from State plan or other resources to complete the work as state has already been done in other cases in approved civil work. The state agreed to complete the works expeditiously.

14. Annual Work Plan and Budget of 2014-15:

With regard to the proposal made by the State under RMSA for the year 2014-15, a detailed discussion was held after which the following decisions were taken:

Rashtriya Madhyamik Shiksha Abhiyan (RMSA)

Sl. No.	<u>Activities</u>
----------------	--------------------------

	<u>NON RECURRING</u>
i.	Civil Works of new school: The State had proposed for the upgradation of 458 Upper Primary Schools (2 sections) into secondary schools. The PAB considered & approved the upgradation of 66 schools (61 two section schools and 5 one section school) with the commitment from the State that the civil works for new school should be taken up on priority and necessary process of tendering for new schools should be initiated by the State immediately. The state also proposed upgradation of Urdu schools separately for 6 Urdu Middle schools which do not have an Urdu secondary school with in a reasonable distance where however a non urdu secondary school is available with in the 5 km radius. Considering the fact that the proposed schools are situated in a minority concentrated area and due to unavailability of urdu medium high school, the students may drop out from school, the PAB advised the state to start Urdu section in the nearest non urdu secondary schools and approved additional classrooms to accommodate urdu section in the existing secondary schools. In view of PAB decision for opening of urdu section in the proposed school, the state has reviewed the proposal again and agreed with the PAB decision to construct 8 classrooms in 4 existing secondary schools for introducing Urdu Section secondary classes. In remaining 2 cases, i.e Govt. HPS Kamalnagar(Bidar) and Govt. UGS no.3 Katanagar in old Hubli (Dharwad), it was submitted that it is not eligible as per RMSA norms of distance and enrolment.
ii.	Strengthening of existing Govt. schools: The State had proposed for the Strengthening of 1971 existing Govt. Schools but in view of the huge pendency of works against previous approvals, the State Govt. was requested to show progress and achieve at least 50% progress before fresh works are sanctioned. Hence the

	proposal for the Strengthening of existing Govt. schools was not approved by the PAB.
iii.	Major Repair: The proposal for Major Repair for 272 schools was not approved as list of the schools was not supplied by the State.
	<u>RECURRING</u>
iv.	Staff for new schools (2014-2015)
	Against the proposal of the state for financial support for 66 Headmasters and 330 subject teachers , 66 office assistant & 66 lab attendant, PAB had approved the financial support for 66 headmasters, 330 subject teachers for the new schools with notional salary of one month for the new schools approved for up gradation in the current year i.e 2014-15.
v.	Staff for new schools sanctioned in previous years (2009-2014) - The State proposed financial support for 333 head master, 1970 Subject teacher and 333 Multi task support Staff which were sanctioned earlier (Year 2009-2014). PAB approved 12 months financial support for in-position 305 Head masters @ Rs 29640/month and 1830 subject teachers @ Rs 22946/month. Notional salary of one month to remaining 28 Head Masters, and 140 teachers was approved. - As far as the proposed 333 multi task support staff is concerned , even though State informed that 259 MTSS have been appointed, the state could not provide documentary evidences about the recruitment of Multi Task Support Staff (MTTS) , thus PAB could not consider the proposal . In this regard, PAB has already indicated that approvals regarding MTTS, lab attendant, librarians, previously committed but not yet acted upon will be revoked with immediate effect. Approval/commitment for salary was for that particular year and if not acted upon and not

	revalidated specifically, later on stands withdrawn.
vii.	School Grant: • School Grant (Department of education)- The State proposed for the school grant of 4542 school out of which 4468 school eligible was approved for the school grant by the PAB. • School Grant (Social welfare department + Local Body School) - As against the request of State for School grant to 557 schools, school grant was approved for 517 social welfare schools as per UDISE. • In view of the above commitment, the proposal for school grant to 3661 Govt. Aided School was not approved by the PAB.
viii.	Minor Repair: • The proposal for Minor Repair for 3977 schools was not approved by the PAB, due to limited availability of fund, though all schools were eligible for minor repair. The State was also advised to bear the cost of minor repair from the own fund.
ix.	Teacher Training: • In service training of existing teachers and Headmasters engaged in teaching - Proposal of state for the training of 45687 teachers was considered and , approval was granted for 36198 teachers, including 3282 HM of Govt. and Govt. Aided Schools engaged in teaching and 32916 teachers @ Rs. 300 per trainee for 5 days as per UDISE data. • Training for new teachers - The proposal for the training for 1066 new teachers was not approved by the PAB due to inconsistency in UDISE Data and number of teachers provided by the state. • Training of Master Resource Persons- The proposal for training of 67 Master Resource Person was approved as proposed for 3 days @Rs 300 per person per day. • Training in Accounts for State & District officials- The proposal for

	accounting training of 4542 accounts assistants @ Rs300 per assistants for 5 days was approved by the PAB from MMER funds. The training may be conducted for 2 days. • Professional Development for school leadership program for Head Masters- Against the proposal for school leadership programme for 482 head masters, the PAB has approved leadership training for 200 Government Schools Principals and 50 SRG members@ Rs. 300 per day for 16 days to Principles and 10 days training to State Resource Group. It was observed by PAB that the State must ensure an outcome orientation of all the activities. Training should be aimed at specific objectives with specific outcomes and deliverables outlined in the activity plan. It has been seen that if the attendance of teachers in the training is recorded and teachers are graded on their activities in the training, the training becomes more fruitful. It is also suggested that teachers may outline one or two practices they will adopt in their classrooms as training take-aways. State may ensure documenting of all the activities approved above. Printing of Module/Handbook & workbook for 9th& 10th student- The proposal for Printing of Module /handbook & workbook was not approved and State was advised to take it up from its resources.
x..	Quality Interventions: • Against the proposal of 56555 students for special teaching for learning enhancement, the PAB approved for 18700 students (20% of 93504 of Class 9th) students of class IX @ Rs. 500 per students. It was shared by the Department that the methodology adopted by Uttarakhand for remedial teaching may be examined for appropriate adoption by other States including Karnataka. • Proposal for 2 science kits @ Rs. 5400 /kit per school for 500 Govt Secondary schools was not approved by PAB since this item is included in the new schools and wherever Science Lab construction has been

	sanctioned under Civil works and also in the light of limited funds. • The proposal for constructive and Evaluation Programme for 10 STD Class implementing CCE due to lack of details. The State may ensure an outcome orientation and documenting of all the above activities. A report may be sent to MHRD.
xi	Guidance & Counselling Salary of Coordinators- The proposed intervention was not approved by the PAB since there are no existing staffs for Guidance and Counselling in the State. It was clarified that the Guidance and Counseling Grant under RMSA is for strengthening the existing Bureaus of Guidance in States/UTs. The State was requested to share the existing structure and processes in place for Guidance and Counseling of secondary school students and the Perspective Plan for strengthening the same, in case of need. Further, to address the concern of counseling of students, the State was advised to endeavor to train at least one teacher in each school in Guidance and Counseling and adolescent issues as part of in service training of teachers. The state is advised to finalise the selection criteria viz. academic qualification, age and other terms and condition, in consultation with NCERT , RIEs or other Education Experts in order to meet the needs for Guidance and Counselling for secondary schools including adolescent education programmes, school health issues in secondary schools, career counselling and higher education counselling , bullying/ ragging issues in schools, life skills and values and the setting up of these cells in every school.. Moreover, sensitization programme should be a part of in-service training of subject teachers and headmasters. The training programmes for Schools heads and teachers in these issues may also be documented.

xii.	Equity Interventions:
	Girls oriented activities- • The proposal for conducting 530 adventure/nature study camps and 530 Kreedha Abhiyan camps was not approved by the PAB as the proposed interventions was found a part of Ministry of sports and youth services. • The proposal for Self defence training for 178171 girls (class 9th) for 4542 Govt. Schools @Rs. 100 per day for 30 days was approved by the PAB.
xiii.	Community Training
	• The two day training of 18440 SMDC members @ Rs. 600/ members per schools was approved for 1844 Govt. Schools (10 members per schools).
xiv.	MMER: The MMER of 3.5% on Integrated scheme was approved by the PAB.

15. ICT @ Schools

PAB was informed that till date, **7155** schools were approved for coverage under ICT@ Schools component since 2005-06.

Out of approved 7155 schools, discrepancies were found in 594 schools. The discrepancies in 594 schools are as under:

- Phase – I (15 schools) - 6 schools are repeated in same year, 9 schools are middle schools.
- Phase – II (505 schools) - 91 (Jr. colleges) schools repeated in the same year, 3 schools were middle schools, unavailability of UDISE Code in 3 schools, 60 schools are private schools, duplication/repetition of 36 schools approved 2005-06 and , 312 Jr. colleges were not implemented by state.

Phase – III (74 schools) - 5 schools repeated which were approved in 2005-2006, 19 schools repeated in same year, 22 schools are middle schools, 27

schools were private , 1 school were found duplicated/repeated from approval of 2007-08.

State is to clarify the above with in a month, failing which, the funds released against the schools above will be adjusted against further releases.

The other issues in ICT @ School component in Karnataka are:-

- Internet Connectivity is available in 480 schools only.
- Annual Progress of ICT @ Schools in Secondary Schools has been received but information of implementation for Higher Secondary Schools has not been provided by the state.
- State Government has not furnished the Utilization Certificate for the amount of Rs. 587.48755 Lakh released in 2011-12 and for the amount of Rs. 330.00 lakh released in 2012-13 as well as the information on State Share.
- Comprehensive Progress Report and 3rd Party Evaluation Report is awaited.

State has proposed 1332 new schools & 5 SMART schools for 2014-15. State has proposed replacement of equipment's for 2051 approved in 2005-06 & 2007-08, which PAB did not approve as it is beyond the scope of the scheme.

It was also decided that further release of committed liability expenditure in respect of schools already covered will be subject to the Utilisation Certificates, Progress Reports for the earlier releases and the Budget Provision for the year 2014-15.

16. Girls Hostel Scheme

(i) Non Recurring Grant:

21. It was emphasized that the priority should be to complete the approved 62 hostels for which non-recurring grants have already been released.

(ii) Recurring Grant:

The PAB approved the recurring grant of **Rs. 415.46 lakh**. The component-wise details are at **Annexure-III**.

17. IEDSS

PAB was informed that in the wake of complaints received through PMO about the lack of quality in implementation of the Scheme especially by the NGOs; a three member committee was constituted by this Department for evaluation of the scheme and suggesting better implementation of the scheme. The committee submitted 14 recommendations on 23.8.2012 and State Govt had to submit the Action taken report on various issues raised therein.

The Action taken report has since been received in 2 spells and final action taken report has been received on 4/2/2013. Along with this State Govt was also asked to submit the UCs, Audit Report and certifying that there is no double counting of teachers and students in State and NGO component, for enabling further release of funds. It was submitted to PAB that the release of funds to the State for approvals granted in 2009-10 and 2011-12 including those for special teachers' salary could not be acted upon for want of compliance from the State on the recommendations of the Committee mentioned above.

Further, it was informed that for 2011-12, recurring amount of Rs.21.55 crores was approved that included salary deployed through NGOs. It was pointed out that the PMEG had considered all the proposal of the State and the recommendation specifically for the teachers' salary was subject to furnishing of details of their qualifications, deployment in schools etc. It was also clarified that as recurring grant, this conditional commitment was effective for the year of approval. State has submitted the ATN along with details in March 2014 preliminary appraisal of which indicates to the following:

Details submitted of approved special education teachers, only some of the special education teachers have valid RCI numbers and in some cases , the name of teachers given by state do not match the names of teachers given previously by state.

Most of the special education teachers as given by the state do not have the qualifications as required under the IEDSS norms.

The information with regard to salary structure of special education teachers has not been given by the State.

Details and cost of devices, software, etc distributed to CWSN previously out of the approvals under IEDSS has not been given.

The PAB took note of the ATN submitted by the State and recommended for release of the remaining funds for the year 2009-10 and 2011-12 as against approvals accorded, subject to compliance relating to furnishing of UC and Audit Report by the State.

PAB observed that since a major financial recurring component of the scheme is of salary for special teachers, the States have to ensure that their annual proposal incorporates and substantiates in detail proposals implemented through NGOs. The commitment of GoI will be subject to it being approved as part of the AWP& B and will be limited to the year in which it is approved. In light of limited availability of funds and the fact that recurring grants lapse at the end of FY, reimbursements will not be entertained beyond the FY unless and until it is specifically sought and more importantly approved and re-validated by the PAB. However, in no case, proposals not approved in previous years including teacher's salary will be considered for reimbursement.

It was also informed that while considering the Plan proposal of the State for 2013-14 also, the need for such diligence and expeditious furnishing of details and ATN was emphasised especially in view of the pending disputes relating to NGOs. The PAB clarified to the State in the absence of approval of the Annual Plan under the IE component for the year 2012-13, reimbursement to the State cannot be considered. Therefore, the State was advised to take up

the issue of reimbursements to the NGOs, especially the salaries of the teachers for the year 2012-13 from their own resources. Furthermore, it was noted with concern, that the State has been unable to act upon approvals given to its proposal in 2013-14 that included appointment of 440 teachers.

PAB noted that State has not been able to give detailed proposals under IE component even now and it has been totally left to the NGOs to formulate and implement the proposals. State has forwarded proposals of the NGOs without any diligence at their level which is contrary to the spirit of the Scheme.

However, on assurance of the State that necessary diligence will be put in place and also involvement and oversight of the State will be ensured in implementation, PAB approved the plan proposal of 2014-15, details of which are captured in the cost sheet.

Recurring

The State Govt. proposed recurring grant for student oriented components, salary of special education teachers, in-service training of teachers etc.

PAB **approved** the student oriented component as per items mentioned below:-

(A) Student oriented component

- i) Identification & assessment of 5731 CWSN with a total cost of Rs. 11.46 lakh.
- ii) Distribution of aids and appliances 3108 CWSN with a total cost of Rs. 62.16 lakh subject to State Govt. furnishing list of beneficiaries, schools where the studying, UDISE code of Schools and name of devices with actual cost.
- iii) Books & Stationery for 10158 CWSN with a total cost of Rs. 40.63 lakh.
- iv) Transport allowance to 9429 CWSN with a total cost of Rs. 63.65 lakh.
- v) Escort Allowance for 413 CWSN with a total cost of Rs. 8.26 lakh.

- vi) Reader allowance to 528 blind CWSN with a total cost of Rs. 2.64 lakh.
- vii) Stipend for 3871 girls student with a total cost of Rs 7.74 lakhs.

(B) **Others component.**

- i) Salary of 440 Special Education teachers approved in previous year with a total outlay of Rs.880.00 lakhs is recommended **subject to grant being released only after the receipt of list of teachers and details in terms of recruitment procedure, name of teachers, date of appointment, age, qualification, RCI no., school where these teachers are posted along with UDISE code.**
- ii) Special pay for 440 special education teachers with a total outlay of Rs.17.60 lakhs **subject to grant** to be released only after the receipt of list of teachers and details in terms of recruitment procedure, name of teachers, date of appointment, age, qualification, RCI no., school where these teachers are posted along with UDISE code.
- iii) Training to 440 Special Education teachers @ Rs.300 per day for 5 days with a total cost of Rs.6.60 lakhs subject to joining of the teachers and schedule of training is finalized.
- iv) Orientation of principals, educational administrators, parents/guardians etc. for 8651 teachers with a total cost of Rs.12.98 lakhs fund will be released subject to State Govt. furnishing the list of participant along with schedule of this programme.
- v) Environment Building Program has not been approved as state government has not furnished the schedule and details of activities to be carried out at block level. .
- vi) Development of innovative and R&D Model Inclusive School has not been approved as the state government has not provided the UDISE code of schools.

The total outlay under recurring component approved for 2014-15 comes to **Rs. 1113.72 lakh.**

18. Vocational Education

PAB noted that in 2012-13, under the Scheme of VHSE, 250 schools were approved for introduction of vocational education in four NOS compliant vocational courses – Automobile (Service Technician), IT &ITeS (IT Service Desk Attendant) ,Retail (Sales Associate) and Security (Unarmed Security Guard) for an approved outlay of **Rs. 170, 42.50 Lakh**. An amount of **Rs. 4397.09lakh** have been released so far out of which **Rs. 3679.34 lakh** were released in 2012-13 as part of 1st installment of non-recurring expenditure and an amount of **Rs. 717.75 lakh** were released as part of 1st installment of recurring expenditure for 100 schools in first phase in 2013-14.The State has yet to implement the scheme.

PAB raised serious concern regarding the non-implementation of the scheme despite State's declaration of launching the scheme in phased manner in 2013-14 in 100 schools.

Further, it was noted that out of the 250 schools approved in 2012-13, as per the information provided by the State now, only 131 schools(**Annexure IV**) are composite schools having both secondary and higher secondary sections and remaining 119 schools are either only secondary or only higher secondary. Since the scheme envisages introduction of vocational education from class IX (secondary level) onwards, the request of the State for implementing the scheme in composite schools having both secondary and higher secondary sections was agreed to by the PAB. The State was requested to submit the list of 119 composite schools along with the UDISE codes. PAB agreed to cancel the 119 non-composite schools approved in the year 2012-13. (**Annexure V**)

The request of the State to introduce NOS compliant job roles Healthcare (Patient Care Assistant) and Beauty & Wellness (Beautician) in place of Security was also agreed to by the PAB .The State was advised to submit updated trade mapping for all the 250 schools on priority.

As regards the Scheme of subject, it was clarified that vocational education is to be taught as an additional subject (6th subject) in class 9th and 10th and as a compulsory elective in Class 11th and 12th. The importance of assigning sufficient teaching and learning hours to the subject, raising the stature of vocational education at par with other subjects while creating clear pathways for developing skill proficiency within the education system was explained to the State team. The State was advised to take up the matter with the Board of Education and firm up the scheme of subjects on the above lines under intimation to the Ministry before the start of the next academic session.

The State was requested to release the State share due against the funds authorized by the Government of India under the Scheme.

In view of the revision of the scheme by the Cabinet on 12th Feb 2014, and the fact that the State will be implementing the Scheme only from the next academic session, PAB decided to revise the total outlay for the 250 schools in accordance with the revised financial norms of the scheme. Accordingly PAB approved an amount of **Rs. 2461.25 Lakh** as total recurring cost on **75:25** Centre State sharing pattern with Central share of **Rs. 1845.94 Lakh** for introduction of vocational education from Class 9th onwards from the next academic session in five NOS aligned job roles mentioned above. The non-recurring costs will be factored in on receipt of information regarding trades and detailed justification /estimates for construction of workshops.

As regards construction of workshops, it was clarified that the same needs to be justified on need basis in light of infrastructure gap analysis of each school and detailed estimates as per SORs need to be provided. Further State was advised to leverage the existing infrastructure available in the schools, in Industrial Training Institute, Polytechnics and that created under other skill building initiatives of the Government

Approval for 2014-15

19. Based on above approvals accorded for various interventions in respect of all five components, the total interventions amounting to **Rs 19569.35 Lakh** including the non-recurring interventions amounting to Rs. **5270.10** lakhs and recurring interventions amounting to **Rs. 14299.25 lakh** with the central share amounting to **Rs. 15017.75 lakh** and state share of **Rs. 4551.59 lakh**. The MMER in respect of all these Schemes for the approved interventions will come to **Rs. 661.77 lakh**. PAB took note of and approved the Spill over amount which Division will take into account while releasing sanctioned funds against committed liabilities and the current year's approval. The component wise brief of RMSA approvals accorded by PAB is as below:

Component wise approval for 2014-15

Rs. in Lakhs

Scheme	Approved for 2014-15			GOI share	State share
	NR	R	Total (Fresh approval)		
RMSA	5270.10	9647.05	14917.15	11187.86	3729.29
IEDSS	0.00	1113.72	1113.72	1113.72	0.00
ICT@school	0.00	0.00	0.00	0.00	0.00
Girls Hostel	0.00	415.46	415.46	373.92	41.55
Vocational Education (2012-13)	0.00	2461.25	2461.25	1845.94	615.31
Total	5270.10	13637.48	18907.58	14521.43	4386.15
MMER (3.5%)		661.77	661.77	496.32	165.44
Grand Total Including MMER	5270.10	14299.25	19569.35	15017.75	4551.59

* Recurring Approvals lapse on the 31st of March

*** This is subject to confirmation and receipt of requisite documents.

* Funds would be released against fresh approval and against committed funds against earlier approvals after receipt of requisite documents.

The Component wise costing sheet respect of approved intervention are enclosed at **Annexure- III.**

20. The release of funds to different components against the above approvals and against previously approved items will be further guided by the following conditions:

- (i) The State Administration shall give a written commitment for meeting its share of the RMSA, ICT@ School, IEDSS, Girls Hostel & Vocational Education of the budget approved according to prescribed sharing pattern of the components.
- (ii) SMDCs or equivalent bodies should be constituted and accounts opened to incur expenditure under school grant, minor repair, civil works, and other such expenditures, which have to be incurred only through these bodies as per RMSA norms.
- (iii) The State Government will maintain their level of investment in Secondary education as in 2009-2010 and give the details of this to GOI before the release of second installment.
- (iv) The second installment would only be released after (a) the proportionate installment of State share has been transferred to the State Implementation Society, (b) at least 50% expenditure against available funds has been incurred, (c) utilization certificate has been submitted for funds released in the year 2013-14 and (d) Audit Reports have been submitted for the year 2012-13.

The meeting ended with a vote of thanks to the Chair.

Annexure-I

Participants of the 38th Meeting (the 8th composite meeting) of Project Approval Board (PAB) to consider integrated Annual Work Plan and Budget, 2014-15 for the State of Karnataka of RMSA, ICT, Girls' Hostels, Vocational Education and IEDSS Schemes held on 20th March, 2014 in Conference Room (Room No.112-C), Shastri Bhawan, New Delhi.

List of participants

PASS PERCENTAGE

Integrated Coverage of Secondary School

Common Coverage

All 8820 Govt. Schools covered under RMSA, 6444 of these covered under ICT@ Schools, 00 covered under IEDSS and 250 covered under VE.

Area of Strength

CCE implementation

- From Class I to Class IX
- Principles of CCE incorporated in the report cards supplied to the schools.
- Incorporated in class IX training modules
- Teachers given two days training on CCE in 2013-14

Separate cadre of teachers

- The district Gulbarga, Bellary, Yedgir, Bider, Raichur, and Koppal, (special focus region as per article 371), which are having separate cadre for the teachers and 75% teachers appoint through local initiative.

Field based / School based approach for Planning

- School development plan has been prepared

Areas of strength

Curriculum

- State Curriculum Framework (SCF) Revised and reviewed in NCERT on 9th October 2013
- New syllabi Class I to X developed as per SCF
- New text books Developed for class I to X (VII and X books will be introduced 2014-15).

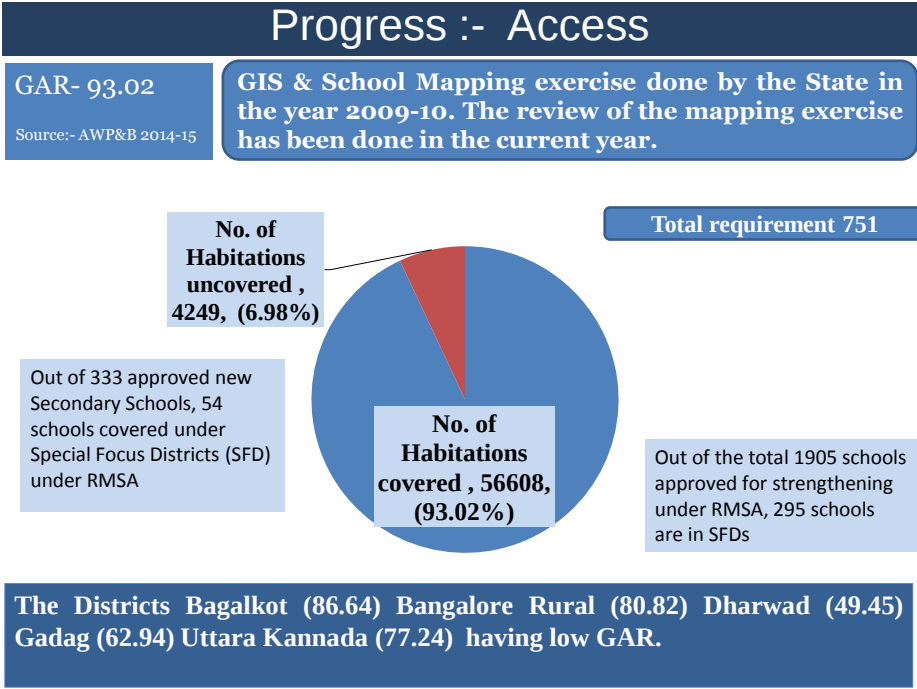

KOER (Karnataka Open Educational Resources)

- For in-service teacher education Under KOER, mathematics, science and social science teachers have collaborated to create digital learning resources, for the new Class IX text book topics. The resources are available on http://karnatakaeducation.org.in/KOER/en/index.php/Main_Page and <http://karnatakaeducation.org.in/KOER> for Kannada).

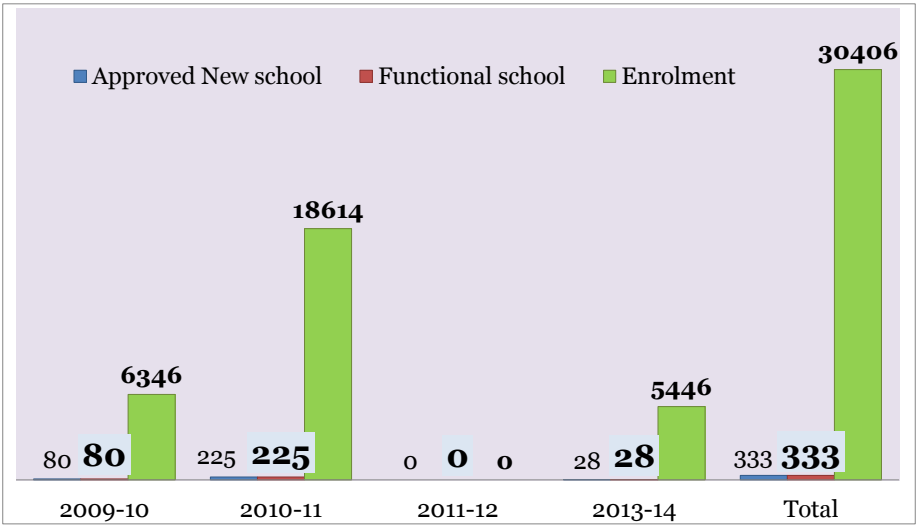

Teacher Forum

- Head Teacher Forum & Subject Teacher Forum- under the STF, around 5,000 teachers across all 34 districts have learnt to use a wide variety of digital methods, tools, resources for their subject teaching as well as overall professional development.

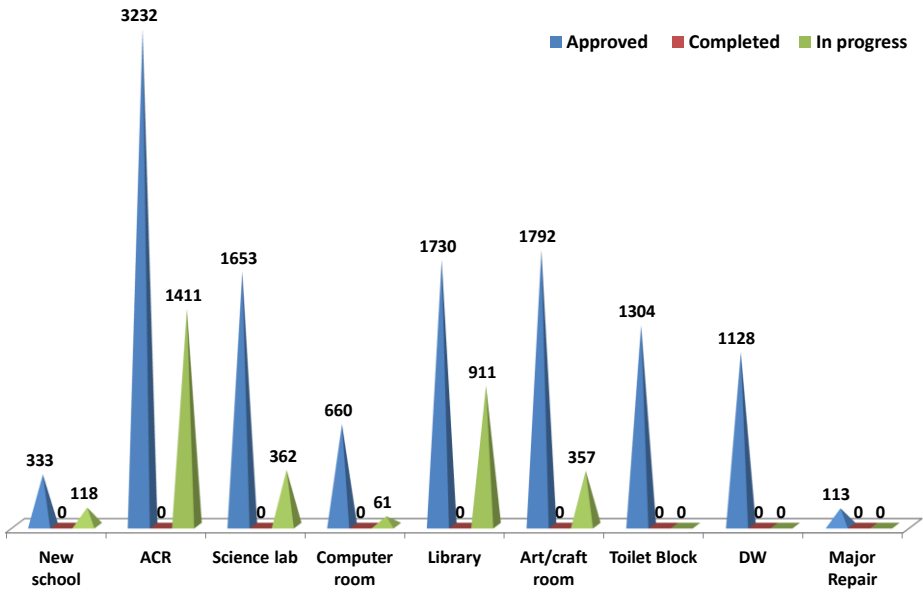

State initiative		
S.No	Scheme	Remarks
1	Scholarships	For SC/ST and OBC students only
2	Text Books, free uniforms	For SC/ST and OBC students only
3	Bicycles	For Girls only
4	Fee Exemptions, reimbursement	For Board Exams only for SC/ST and OBC Girls
5	Hostels	For SC/ST children
6	Quotas	Only in Excellence Schools
7	Free Coaching	Only for SC/ST children
8.	Geometry boxes and king size notebooks to SC/ST	Only for SC/ST Children
9.	Free 100ml milk for 3 days/week	All secondary school children

Spill over NR

Rs in Crore

• Total Spill over NR –Rs 806.77crore .

Status of Audit Report & Annual Report

Major Issues

Lacking Synergy with the other departments:- It is informed by the state that the ICT, IEDSS and Girls Hostel Schemes have subsumed with RMSA, state needs to clarify whether the synergy with all concern departments of ICT, IEDSS and Girls Hostel Schemes for smooth management and implementation has been established as it is found lacking during appraisal at the TSG.

Slow progress in civil work :- 27% progress in approved civil work
Out of approved 333 new secondary schools, civil work only for 118 schools are in progress and the state has 215 schools yet to be started. Out of 11945 works sanctioned under strengthening head, Only 868 works are at finishing level, 3220 works in progress and 7857 (65% of total approval), works are yet to be started.

Exaggerated expenditure reported :- As per QPR available till Dec. 2013 State had reported expenditure of Rs 32.01 Crores under recurring & Rs 80.40 Crores under Non recurring head. However till March 2014 State is claiming to incur Rs. 94.75 Crores under recurring head & Rs 149.42 Crores under non recurring head which also includes advance.

Areas of concern

- **Poor indicators:-** The districts Yadagiri, Koppal, Raichur, Bidar having poor educational indicators.
- **Decreasing trend in educational indicators.** The Gross Enrolment Ratio at Secondary level is 75.99% as per UDISE 2013-14, which has decreased from 84.54% as per the UDISE 2012-13 . state government needs to clarify in this regard.
- **Zero enrollment schools:-** 41 Govt. Schools and 14 Govt. Aided Schools having Zero Enrolment as per UDISE.
- **Coverage of Students:-**
It is observed the State is covering only class IX & X under umbrella of RMSA, whereas the higher Secondary classes is also being covered under Vocational Education Scheme & ICT Scheme.
- **Acute shortage of math, science and social studies teachers**
has been observed in govt. schools and aided schools.

Areas of concern

- **Curriculum:-** As far as “curriculum renewal as per NCF 2005” is concerned, the department of curriculum within the state council of educational research and training or the CMDE wing of the DIETs is not structurally involved in the process of curriculum renewal.
- **Text books:** Teachers’ handbook, resource books, students’ workbook, laboratory manuals are either not available or not developed along with the textbooks.
- **Guidance and counselling:-** In consecutive PABs (2011-12, 2012-13 and 2013-14) have approved financial support for guidance and counseling to the state. But the state has not reflected any meaningful progress in the AWP B-2013-14. State need to clarify in this regard.
- **Poor condition of libraries:-** Out of 4925 libraries available in the government schools, whereas total number of librarian’s in the government school is only 252 (5% of total libraries) Librarian available.

Issues

1) **8 Schools need to be cancelled**

In 6 schools, under RMSA following components as approved twice Science Lab : 3 (2010-11), Computer room : 1 (2009-10), Art Cultural room : 4 (2010-11), Library : 4 (2010-11), Additional Classroom : 4 (2010-11). **(2 schools)** Shown non Govt. Mgt. (2 Schools) Science Lab : 1 (2010-11), Art Cultural room : 2 (2010-11), Library : 1 (2010-11).

2) ***State surrender the schools and want fresh sanction under RMSA as per SOR.***

- *Total 151 schools in the district i.e Mandya(98) , sirisi (Uttarakanand) (---), shimoga (---), have not been taken up due to non-participation of builders as the normative cost has been approved for the component which is low. (Under strengthening head approved under RMSA in the year 2009-10 & 2010-11)*

3) ***386 schools to be cancelled in Phase III, 51 schools to be cancelled in Phase -I schools and 157 schools to be cancelled in Phase II schools .***

ICT@School:-

- ✓ **Internet Connectivity available in 480 schools only.**
- ✓ **Annual Progress of Secondary Schools has been received but coverage for Hr. Secondary Schools is not provided by the state.**
- ✓ **State Govt. has not furnished the U.C. for the Amount of Rs. 587.48755 Lakh released in 2011-12 and for the amount of Rs. 330.00 lakh released in 2012-13.**
- ✓ **Status of the State Share has not been furnished.**
- ✓ **Progress Report is awaited.**
- ✓ **Evaluation Report is awaited.**

IEDSS

- ☑ Ministry received complaints that NGOs were not implementing the scheme properly :- ATR Submitted
- ☑ It was found that out of approved special education teachers only some of the special education teachers have valid RCI number or some cases the name of candidate is not matching. :- Not Submitted

Need Clarification

- ☑ Most special education teachers are not eligible as per Scheme norms.
- ☑ Salary structure of special education teachers is not given,
- ☑ List and details of devices along with actual cost, distributed to CWSN is not given.
- ☑ List and details of software purchased along with actual cost is not given.

IEDSS

- (i) To verify the equipment already available in resource rooms under SSA and report to the Ministry to avoid duplication of equipment :- Not submitted
- (ii) To finish list of schools with their U-DISE code where resource rooms are located and the no. of CWSN therein. -Not submitted
- (iii) State has not furnished the details of teachers -

Girls' Hostels' Scheme

- SFD: : 3 (Kolar SC dominated) & 2 Minority dominate (Bidar & Gulbarga)
- EBBS: 74,
- 62 girls' hostels sanctioned in 2009-10; functioning from 2010-11 in KGBV's and rental buildings
- Construction of girl's hostel not started,

Scheme of Vocationalization

- *In the year 2012-13, 250 schools were approved which SEMIS/UDISE school code is not available:-*
- *Issues related to the number & change of schools and mapping*
- *Issues related to civil works and construction of Digital classroom-cum-library*
- *Issues related to change of trades*
