Minutes of the meeting of the Project Approval Board held on the 15th of February, 2017 for approval of Annual Work Plan and Budget 2017-18 of Karnataka under the Centrally Sponsored Scheme of Rashtriya Madhyamik Shiksha Abhiyan (RMSA).

A meeting of the Project Approval Board (PAB) to consider the Annual Work Plan & Budget 2017-18 of the State of Karnataka was held on the 15th of February, 2017.

1. The list of participants who attended the meeting is at **Annexure-I**.
2. Joint Secretary (SE&L) welcomed the participants. Thereafter, a presentation was made by Deputy Secretary(RMSA-IV) highlighting the overall status of secondary education in the State, areas of concern and details of the proposal of Annual Work Plan and Budget (AWP&B) of RMSA for 2017-18. A copy of presentation is at **Annexure - II**.
3. **Discussions were held on the areas of concern, point wise as follows:**

3.1.1 Status of HMs and teachers posts under State Cadre: Out of the approved posts of 40807 teachers & 4172 Head Masters (HM), only 36103 teachers and 3597 Headmasters are in position, whereas 4704 posts of teachers and 575 Headmaster posts are vacant.

Civil works: Surrender of civil works of 154 schools approved in the years 2009-10, 2010-11, 2013-14, 2014-15 & 2015-16 was accepted in 2016-17 PAB meeting, against which 40 schools were approved for civil works in the year 2016-17. Out of remaining 114 schools, 39 schools were considered for approval of civil works as these are already functional.

Salary of teachers: The State has proposed the salary of 1952 subject teachers which includes computer, Art, craft, physical education, sports and other teachers, whereas only core subject teachers (Maths, Science, Social Science, Language) can be considered for financial support under RMSA. As per UDISE, there are only 1003 core subject teachers in position in the state.

Secretary Education, Karnataka explained that it is a common practice that one teacher teaches more than the core subject due to lack of work load and if teachers teach more than one subject they fill all subject options in the UDISE format. Further, the State requested to consider all subject teachers i.e. 498 along with 1003 subject teachers for the financial support. Hence, salary for 2017-18 was approved for a total of 1501 teachers.

Vocational Education: Out of the 250 schools approved for implementation of Vocational Education, the state has implemented VE in 100 schools only. The state does not intend to implement VE scheme in remaining 150 schools. These 150 schools have been surrendered. List of these schools may be seen at **Annexure III**. Further to this, the state also mentioned that they would not be creating any infrastructure, be it construction of labs or procurement of tools and equipments. The state plans to do practical training by tying up with Polytechnics, ITIs and other industrial establishments. In view of the above, it was decided to cancel the non-recurring approval of Rs. 6482.50 Lakh. This includes 100 functional schools and 150 surrendered schools. *The non-recurring releases already made under non-recurring head of RMSA would be adjusted against the future non-recurring releases due to the state.*

Girls Hostel: Out of 74 Girls Hostels approved, construction has been completed in 45 hostels; construction of 25 hostels is in progress and civil work has not been started in 4 hostels. 62 hostels have been made functional. The state was asked to start the construction of remaining 4 approved Girls Hostels.

ICT@School: The state was advised to surrender the 400 non implemented ICT schools being old sanctions. The State requested for 3 months time to take a decision on the issue.

3.1.2 Joint Secretary(SE) observed that the State should ensure timely submission of audit reports and utilization certificates so that the central funds could be released and the implementation of Scheme is not hampered.

3.1.3 The State was asked to complete the child wise data along with Aadhar number/unique ID for all students by 31st March, 2017, as releases under fresh non-recurring outlay will be subject to the child wise enrolment data uploaded on UDISE platform.

3.2 Education Indicators:-

- Gross Access ratio of the State is 93.10%.
- The enrolment in the year 2016-17 has increased by 25986 (1.46%) from previous year.
