Minutes of the meeting of the Project Approval Board held on 19th May, 2020 through Video Conference to consider the Annual Work Plan & Budget (AWP&B) 2020-21 of Samagra Shiksha for the State of Karnataka.

1) Introduction:

The meeting of the Project Approval Board to consider the Annual Work Plan and Budget (AWP&B) 2020-21 for SAMAGRA SHIKSHA for the State of Karnataka was held on 19.05.2020 through Video Conference. The list of participants who attended the meeting is attached at **Annexure-I**.

2) Initiatives of the State:

Ms. Anita Karwal, Secretary (SE&L) invited Karnataka to give a presentation on School Education in the State. Mr. S. R. Umashankar, Principal Secretary, School Education (Karnataka) gave a presentation which included the following major points:

- a) **Implementation of English Nali Kali:** In 2017, Nali Kali English was piloted in 100 units of 4 districts. In 2019, it expanded to 2000 schools (276 Karnataka Public Schools, 724 English medium schools and 612 best Nali Kali (NK) units in the State). From academic year 2020-21, Grade 1 English Nali Kali will be implemented in all 55,530 Kannada medium and 5,100 Urdu medium schools.
- b) **Karnataka Public Schools (KPS):** Decision by the Government to implement KPS in 1,000 schools in phased manner. The State established 276 integrated schools from pre-primary to senior secondary where total enrolment was increased considerably. Total increase from Pre-primary to PUC-II was around 2,92,350. These schools are brought under the Technology Assisted Learning Programme (TALP) for students studying in Secondary and Higher Secondary.
- c) **Pre-School:** 276 pre-primary sections started in 276 Karnataka Public Schools 'Balasnehi' classrooms - to provide conducive environment to facilitate learning. Total 8,936 children got admission in these pre-schools. Admission limited to 30 per section. Curriculum developed in collaboration with UNICEF, Education experts, NGO partners, DSERT & State Resource Persons.
- d) **Student Achievement Tracking System (SAT):** The Students Achievement Tracking System ("Shikshana Kirana") - a project to track every child enrolling in school, by unique identity and name, for their regularity, identify dropouts, transfers and their academic performance. The system enabled the State to track drop outs, eliminate duplications in grant in aid schools, academic progress of each student, promotion to

next standard, issue transfer certificates, tracking children with special needs, incentive distribution, monitoring school health programme etc.

- e) **Online process for admission and fee reimbursement under RTE in Private unaided Schools:** RTE admission software is linked with SATS database and the children admitted under Section 12 will have an exclusive flag to be identified as Children admitted under RTE provisions. The movement of children is effectively monitored as SATS monitors status of all children. The data from SATS is pulled to RTE Reimbursement software in which schools are given exclusive logins to submit their proposals. The claimant schools will have to upload their annual audit report and submit their claim on the portal. This will get submitted to BEOs who will verify the proposal of all schools and submit the same to Deputy Directors of the concerned district. Reimbursement is made in two instalments to Private Unaided Institutions. First instalment in the first half of the academic year and the second instalment in the second half of the academic year is released provided the child shows up 60% of attendance in the academic year. Online sanction orders are generated at DDPI level and submitted to treasury for online transfer of funds to the registered account of the school management.
- f) Constituting Inter Departmental Coordination Committee chaired by the Chief Secretary, Government of Karnataka.
- g) Conducting a week long survey from 6th to 13th January, 2020 in the areas where presences of migrant children were expected as per the orders of Hon'ble High Court, conducting of door to door survey to be for all children from birth to 14 years by the 'Local Authorities' (Rural Development and Urban Development Departments).

6) New Approaches 2020-21:

During the year 2020-21, the new approaches are continued for enhancing the effectiveness of the SamagraShiksha scheme and making it more outcomes oriented. These new approaches aim to engage all administrators, schools, teachers and children in activities which would enable to improve the learning outcomes and also measure the impact and outcome of various components under the scheme.

6.1 In-service Teacher Training:

The Department of School Education and Literacy launched a National Mission to improve learning outcomes at the Elementary level through an Integrated Teacher Training Programme called NISHTHA – National Initiative for School Heads’ and Teachers’ Holistic Advancement on 21st August, 2019. The aim of this integrated teacher training programme was to build the capacities of around 42 lakh teachers and Heads of Schools, faculty members of SCERTs and DIETs and Block Resource Coordinators and Cluster Resource Coordinators. A total of 23,137 KRPs and SRPs and 16,99,931 School Heads and Teachers have been trained under NISHTHA in 2019-20. In this regard, given the positive feedback received from the States and UTs regarding the effectiveness of the NISHTHA training programme at the elementary level particularly in terms of the effective transaction of comprehensive and well defined modules covering various aspects of teaching learning processes, it has been decided to launch NISHTHA- Phase II at the secondary level in order to have a coordinated and learning outcome based training programme. Teachers, Head Masters/Principals of Government and Government aided schools at secondary level will be covered in NISHTHA Phase-II.

However, the present situation of COVID-19 has presented new challenges for face to face training and also several opportunities to innovate, revamp and technology integration in

In-service Teacher Training. Therefore, it has been decided that this year remaining training of NISHTHA at elementary level and NISHTHA Phase II training at Secondary level will be conducted online by the NCERT using high quality professionally made e-content following the four quadrant approach consisting of video, text, self-assessment and learn more.

In order to facilitate teachers to undertake online NISHTHA training, financial support upto Rs 1000 per teacher for procuring pen-drives with pre-loaded content and modules, printing of modules and high speed data-pack will be provided to Government teachers at elementary level and Government/Government aided teachers at secondary level on reimbursement basis and subject to successful completion of the training course.

6.4 COVID- 19 Response: Ensuring safety and security in schools and Digital learning in view of the Covid-19 situation

In the year 2020-21, the COVID-19 pandemic has caused an unprecedented public health emergency; affecting 210 countries and territories globally. The spread of COVID -19 has imposed national lockdown leading to nationwide closure of the educational institutes as India prepares to fight against the pandemic. Precautions are necessary to protect students and educational facilities from the potential spread of COVID-19 in school environment, while at the same time ensuring minimum disruption in learning.

For this, various interventions under Samagra Shiksha need to be realigned to manage the crisis with specific emphasis on **learning processes and safety & security of children**. The funding provided for various components under Samagra Shiksha may be utilised to deal with the current situation based on the following guidelines:

I. LEARNING PROCESSES:

1) Digital teaching learning process to be undertaken under Teacher training, DIKSHA/Digital content creation and Learning Enhancement Programmes (LEP) components.

(i) Training of Teachers on Safety and e-learning aspects.

- Online NISHTHA training modules will be prepared for teacher training by NCERT.
- Teachers may be sensitized and oriented about the safety measures such as social distancing norms, sanitization requirements, tracking of students' health etc.

- Periodic check-ins and mentoring sessions between teachers and academic resource persons may be organized by State SCERTs/SIEs and DIETs, by collaborating with NCERT if required.
- Strategy for online training of teachers may be designed, where teachers are guided on teaching methodologies through live-streaming of online tutorials and MOOCs through NISHTHA and DIKSHA platform.
- Teachers may be provided with a platform to share their experiences, ideas, best practices, issues and concerns related to e-learning.

(ii) Promotion of e-learning platforms

- Use of e-learning Platforms like DIKSHA, e-Pathshala, SWAYAM, SWAYAM Prabha, NROER and NISHTHA may be promoted among teachers and students.
- Digital and Online education guidelines '**PRAGYATA**' prepared by MHRD may be referred.
- Academicians, NGOs, Teachers may be encouraged to develop and contribute content in line with the State/UT curriculum (**Vidyadaan**). The content to be further uploaded on DIKSHA after requisite curation and approvals by **SCERTs**.
- SCERTs to develop guidelines on the usage of various available e-learning platforms, regarding the sample schedule of the sessions to be conducted online (time – table) and number of hours of usage. ***Guidelines should also include how study@home can be undertaken and daily or weekly timetables may be issued.***
- The teachers can conduct virtual classrooms/discussions. The classroom sessions should be either live streamed or recorded. Queries and doubts of students should be adequately answered.
- **The planning of the access should be done such that no child is left behind. State/UT governments may ensure that learning content is accessible to the needs of CwSN.** In areas with low internet connectivity, the State Government should deliver the content through Radio and TV to reach the remotest location. **Use of mother tongue/local language may be enabled where possible.** The State Government may tie up with telecom services to increase access by improving connectivity, lowering costs and increasing coverage to mitigate access inequities.
- A mechanism may be developed to provide textbooks and Supplementary print materials to all children at home through Block Resource Persons and Cluster Resource Persons and also shared with students through WhatsApp, SMS etc. to keep them engaged at home.

- Based on the alternative academic calendar prepared by NCERT, SCERT should make specific academic plans **for their schools including the planning for transaction of curriculum, formative and summative assessments.**
- There may be cases where parents / guardians are not in a position to support learning of students. **Adequate remedial measures should be adopted after opening of school accordingly.**

II. SAFETY AND SECURITY OF CHILDREN

1) Community Mobilization and SMC training

Funding under community mobilisation and SMC training can be utilised to ensure safety and security measures for children. SMC members may be made fully aware about the present COVID situation to create awareness among the Students, parents and their role as stated below:

(i) Awareness on COVID-19

- Basic information about COVID-19, including its symptoms, complications, improving immunity, how it is transmitted and how to prevent transmission should be disseminated.

- *Ensure availability of essentials like soap, alcohol rub/hand sanitizer or chlorine solution, disinfection and cleaning material in the school.*

b. Sanitization of school facilities

- *Sanitization and disinfection should be conducted regularly covering all areas of the school campus and ensure air flow in indoor space.*

WHO recommends use of sodium hypochlorite at 0.5% (equivalent 5000ppm) for disinfecting surfaces and 70% isopropyl alcohol for disinfection of small items, and ensure appropriate equipment for cleaning staff.

The States may converge with the health department for requisite support.

Key Points:

Total	37259.62**	5711.41	139992.90	145704.31	182963.93

*Includes Programme Management (MMER)

**After adjusting for surrender of Civil Works Rs. 783.00 lakh and 7.7 lakh for duplicate pre-primary schools (approved in 2019-20) at the elementary level.

8) Actual Releases by GOI during 2020-21

Against the above estimates, Central Government shall provide to the State Government, Rs. 70761.11 lakh as its share (Rs. 61999.25 lakh for elementary, Rs. 7114.00 lakh for secondary & senior secondary and Rs. 1647.86 lakh for Teacher Education). The State would contribute Rs. 47174.07 lakh as its State share **matching** the above Central share as per the existing fund sharing pattern of Samagra Shiksha. States and UTs will also be able to utilise their unspent balances as on 31st March, 2019 for the activities approved in 2019-20 including spill over.

Based on the demand of funds projected by the State for 2020-21, the tentative share of recurring and non-recurring grants is given below:

(Rs. In lakh)

Component	Elementary Education	Secondary Education	Teacher Education	Total
Recurring	56414.54	6403.00	1643.00	64460.54
Non-recurring	5584.71	711.00	4.86	6300.57
Total	61999.25	7114.00	1647.86	70761.11

The Balance of the outlay (i.e. Rs. 37259.62 lakh) approved under Non-recurring components in previous years which is not spent fully, is the outlay saved/spill over for the subsequent year (i.e. 2020-21). Against the above Spill over, the committed liability of Department of SE&L is Rs. 23772.67 Lakh (Rs. 5185.85 lakh for Elementary, Rs. 18620.36 lakh for Secondary and Rs. (-33.54) lakh under Teacher Education after surrender) keeping in view the total approvals and grants already released.

Non-recurring grant will be released against the committed liabilities and the fresh approvals subject to the production of required documents by State/UTs and physical and financial progress of these interventions under the non-recurring head.

The following activities may be prioritised while incurring the expenditure:

- i) RTE entitlements
- ii) Quality initiatives including ICT, VE and TE
- iii) School Grants
- iv) Gender & Equity and inclusive education.
- v) Completion of pending civil works/spill over.

There are likely to be savings under the scheme. Therefore, supplementary PAB meetings may be considered separately sometime in the month of October-November, 2020, to consider the additional requirements of States and UTs.

As per Section 7(5) of the RTE Act, 2009, the State Government shall after taking into consideration the sum provided by the Central Government above and the mandatory matching State share, provide the balance funds necessary to fulfil the estimate for the implementation of the Act. It is recommended that the State should meet the balance amount from its own resources including the additional funds devolved under the 14th Finance Commission.

The interventions under the Samagra Shiksha comprise of activities pertaining to Elementary, Secondary and Teacher Education respectively and there is a single Budget for Samagra Shiksha in the Demand for Grants (BE) 2020-21.

The release of funds would be from a single Budget Head only. However, for purposes of ascertaining the quantum of funds going to each component, the Sub-Heads for Elementary (including Teacher Education) and Secondary Education has been classified separately.

The State should invariably provide Single Budget Head during 2020-21 and the nomenclature should be Samagra Shiksha. Since Samagra Shiksha would be catering to various activities relating to RTE entitlements and all other Elementary interventions as well as Teacher Training and activities for BRCs and CRCs which forms the portion of Teacher Education activities as well as for Secondary Education, the States shall also provide a suitable Nomenclature with Sub-Heads to identify the disbursement of funds separately under all components of Samagra Shiksha.
